

RULES AND REGULATIONS ADOPTED BY THE  
**DARE COUNTY GAME AND WILDLIFE COMMISSION**

**The Dare County Game & Wildlife Commission may issue a license  
subject to the following requirements**

- 1. All devices for concealing a person(s) hunting migratory waterfowl shall be licensed in accord with these regulations.**
- 2. Regardless of the other requirements set out herein; the Commission may deny any license in the interest of public safety.**
- 3. It is understood by the licensee that the granting of a license is a privilege and not a vested property right.**
- 4. A separate application is necessary for each license requested and that applicant must hold a current valid North Carolina hunting license.**
- 5. Applicants must be sixteen (16) years to apply for a blind.**
- 6. No person shall be entitled to license more than four (4) blind locations. No new licenses will be issued to any clubs, partnership or other entities.**
- 7. A renewal license applied for shall be issued if the licensee had a structure on the licensed location last season.**
- 8. No application will be considered if received after November 1.**
- 9. No application shall be made nor license granted for blind locations closer that 500 yards to another.**
- 10. All locations shall be constructed, constantly marked and numbered both visibly and identifiably by December 15.**
- 11. All applications shall contain descriptions adequate to correctly identify the requested locations including GPS co-ordinates in degrees-minutes-thousands of minutes (example: 75\* 21.768)**
- 12. There shall be no hunting less than 500 yards from a stationary licensed blind or float blind unless hunted by the licensee or person with currently dated written permission**
- 13. When hunting from a float blind, the same must be firmly anchored, decoys must be deployed and cannot be located less than 500 yards from a previously established hunter.**
- 14. All licensed sink/curtain box locations shall be visibly marked year round.**
